

Perquimans County Nc 6th mo 7th 1837

Respected Friend

I recd thy very acceptable letter dated 3th mo, 3rd and was at hand a few days ago. I must inform thee that I do not feel disposed to take any less than I stated before. I dont know how Jesse could with a clear conscience wish me to take any less than what I before stated. If Jesse has a desire to come back I wish he would express his designs in another letter. stating his determination. If he feels disposed to come back I will meet him at any place that he will mention. And no sum of money or no temptation shall separate us. But if he does not wish to return I will make the transfer to any friend of his that he will mention for the sum before stated.
